

# Feel good heating

Take your first step into electrified heating and pay in a way that suits you.

A home heating solution that uses air and electricity to deliver hot water for your heating system. Clever, isn't it? Choose from our tried and tested range of heat pumps and lead the way in enjoying lower carbon heating<sup>†</sup>.

With simple repayment options, we're making buying a heat pump easier than ever, with one of the UK's best lenders Novuna Personal Finance.

<sup>†</sup>A heat pump when running emits less carbon dioxide than a gas or oil boiler.

Personal Finance

## Up to 2 years

### 0% interest-free

Pay for your heat pump monthly and spread the cost over two years.

With no interest to pay and a monthly cost that never goes up, you can keep your finances in order and your life plans on track.

#### Example: 2 Years (24 months)

Quote Total	£15,500
Government Grant (BUS)*	£7,500
Deposit	£1,600
Total Amount of Credit	£6,400
Duration of Agreement	24 months
24 Monthly Repayments of	£266.66
Representative APR	0%
Total Interest	£0
<b>Total Payable (after Grant*)</b>	<b>£8,000</b>

\*Subject to eligibility.

## Up to 10 years

### 10.9% credit

Make your money go further, and your life a little easier, by spreading the cost of your heat pump over ten years.

The more you pay up front, the less interest you'll pay back. You can also make overpayments at any time without penalty.

#### Representative Example: 10 Years (120 months)

Quote Total	£15,500
Government Grant (BUS)*	£7,500
Deposit	£1,600
Total Amount of Credit	£6,400
Duration of Agreement	120 months
120 Monthly Repayments of	£85.98
Representative APR	10.9%
Fixed rate of interest	10.9%
Total Interest	£3,917.60
<b>Total Payable (after Grant*)</b>	<b>£11,917.60</b>

\*Subject to eligibility.

# Can I get finance?

This checklist will help you see if you're eligible for one of our monthly repayment options. All applications are subject to status and credit checks.

## You're eligible if you're...

- ✓ Have been a UK resident for more than 3 years
- ✓ Have a personal bank account that allows Direct Debits
- ✓ Living in a house you own
- ✓ In permanent employment (min. 16hrs per week)
- ✓ Self-employed
- ✓ Retired
- ✓ On disability allowance
- ✓ Unemployed or a 'house person' (as long as you have a cohabiting working partner who gives consent)
- ✓ A customer with an email address and telephone number

## You may not be eligible if you're...

- ✗ Unemployed, unless you have a spouse/partner in full-time employment
- ✗ A foster carer, unless you have a spouse/partner in full-time employment
- ✗ An unregistered childminder
- ✗ A full-time student, unless you're a trainee nurse or doctor
- ✗ A supply teacher, unless you have a permanent contract with a specific school
- ✗ Working a temporary position or via an agency
- ✗ A customer without an email address and telephone number

## 5 steps to feel good heating

1

We'll pop by for a visit and give you a free, no-obligation quote.

4

Accept the agreement online.

2

You choose the finance package that best suits you.

5

We'll book you in for an engineer visit, to get your brand new heat pump installed.

3

We will then introduce you to TradeHelp who will discuss finance options and carry out an application with you.

**Job done! Time to relax.**

## Ready for your new heat pump?

Let us know when you're good to go and we'll get your installation sorted.
